Specification

Whole vehicle main dimensions			Weight data														
Chassis overall dimensions (LxWxH) mm		5455*1970* 2110	Gross vehicle weight (kg)		4495												
Flat Cargo Box Internal Dimension (LxWxH) mm		3700x1870x400	Chassis Curb weight (kg)		1730												
Cabin Type		1730 Single Row	Load weight (kg)		2765												
L or R hand drive		RHD	Persons in cab		3												
Wheel base (mm)		2900															
Power																	
Engine	Model	4F20T28	Clutch	275mm diaphragm spring clutch													
	Fuel type	Diesel	Max.speed (km/h)	≤ 110													
	Displacement (L)	1.968	Largest degree of climbing (1st gear)	≥ 30													
	Max. Power (Kw-)	92kw(125Ps/3200rpm)															
	Max.	320Nm/1400~2600rpm	Cruise		•												
Exhaust emission	EURO III	EP Switch	Efficiency & Power 2	x													
Transmission	Model	ZF5S368	Electrical power supply	12V	•												
	Technology type	MT		24V	x												
	Torque	360															
	Speed ratio	I:5.762 II:2.922 III:1.638 IV:1.000 V:0.782 R:5.149															
Chassis			Body and Interior														
Axle	Front	Type	Whole 1 Type														
		Tonnage	1.8T														
	Rear	Type	Punch welding single stage reduction drive axle														
		Tonnage	2.7T														
Suspension System	Font	Type	Non-independent suspension vertical leaf spring														
		Spring	3														
		Stabilizer bar	x														
	Rear	Type	Non-independent suspension vertical leaf spring														
		Spring	3+1														
Stabilizer bar	x																
Steering system	Multifunction steering	•															
	Steering wheel	•															
	Steering System	Recirculating ball															
	Power Steering	•															
Oil supply System	Fuel tank material	Plastic															
	Fuel tank volume	70L															
Tyre	Type	195/75R16															
	Number	6+1															
	Inner tube	x															
Brake System	Brake type	Hydraulic															
	front	Disc															
	Rear	Drum															
	Parking brake	Central drum Brake															
	Auxiliary brake	X															
	Safety Device	ABS	•														
EBD		•															
Air-condition	Single Heating (=warm)		•														
	Warm and cold (=warm)		•														
	light	Daylight	•														
		Autolight	•														
Back_up warning buzze		•															
Back_up camera		•															
Instrumental pedal	3.5 inch normal		•														
	7 inch color screen		•														
Media equipment	MP3+Bluetooth		•														
	9 inches MP5%+ reverse		•
